Re: Market Conduct Examination - North Carolina Operations Only  
Company title

Dear \*\*\*\*:

Thank you for responding to our examination call letter dated date. It is the Market Regulation Division's goal to perform examinations as quickly and efficiently as possible. The Coordinator's Handbook is designed to provide procedural (though not all inclusive) guidelines for the Company. The handbook includes general information on the examination process and a checklist of items required of the Company.

\*name\*, Examiner-In-Charge, will contact you to schedule a Pre-Examination Conference. The purpose of this conference is to discuss the upcoming examination and establish the lines of communication. Information outlined in the handbook and any other pertinent questions are encouraged to be discussed at this time.

**The Company must include in the meeting those personnel who have a thorough knowledge of the Company's day-to-day North Carolina operations in marketing, underwriting, and claims. Additionally, Management Information Systems personnel responsible for creating the electronic policy and claim data file submissions, must also be in attendance.**

The timely receipt of complete and accurate policy and claim data is an integral part of the examination process. The failure of the Company to provide such data, as outlined and requested in the Coordinator's Handbook, could result in a violation of North Carolina General Statute 58-2-185, 58-2-131, and 11 NCAC 19.0106.

**EXAMINATION AUTHORITY**

The Market Regulation Division has identified a series of items required for completion of an examination of the Company's North Carolina operations. These items, though not all inclusive, are described in the following pages. Pursuant to North Carolina General Statutes 58-2-131, 58-2-185, and 58-2-200, the North Carolina Commissioner of Insurance requests that the Company make these items available to the Market Regulation Division. The items requested will reference transactions occurring during the examination period. The examination period is the three full calendar years preceding the commencement date of the examination, unless agreed to otherwise at the Pre-Examination Conference.

## **EXAMINATION CHRONOLOGY**

### **1. NOTICE OF EXAMINATION**

Issue of notice of examination letter to Company President.

### **2. COORDINATOR CONTACT AND REQUIREMENTS**

- a. Delivery of Coordinator's handbook
- b. Scheduling of the Pre-Examination Conference
- c. Completion of Interrogatories

### **3. PRE-EXAMINATION CONFERENCE**

The Pre-Examination Conference is held to discuss examination requirements and establish lines of communication.

### **4. PHASE I EXAMINATION**

The work performed during the commencement date of the Phase I examination will take place in the Market Regulation Division's office in Raleigh, North Carolina.

### **5. PHASE II EXAMINATION COMMENCEMENT**

The Phase II portion of the examination will continue in the Market Regulation Division's office in Raleigh, North Carolina. The examination team conducts an open examination and encourages discussion of any developing issues.

### **6. WRAP-UP CONFERENCE**

A Wrap-Up Teleconference is initiated by the examination team at the completion of the examination. The Company is encouraged to include all affected management personnel in this conference. An updated list of corrective actions for each deficiency identified on the applicable MC-2s during the course of the examination should be provided to the EIC prior to the Wrap-Up Conference. The statement of corrective action should be detailed to include changes in Company procedures, giving time guidelines for completion and dates of implementation. The examiners will summarize their findings and discuss pertinent issues that will appear in the examination report.

### **7. REPORT DRAFTING**

Upon completion of the Phase II examination, the team will prepare the examination report. This process is normally completed in two weeks.

### **8. INTERNAL REPORT REVIEW**

The report is reviewed and approved at various levels within the Department including the Deputy Commissioner of the Market Regulation Division and the Senior Deputy Commissioner of the Company Services Group. The review process is normally completed in 60 days and the report is then sent to the Company by certified mail.

**9. COMPANY REVIEW AND ACCEPTANCE**

North Carolina General Statute 58-2-132 allows a 30 day period during which the Company can review the report. The report will become a public document upon acceptance of the report by the Company or if the Market Regulation Division does not receive a written response from the Company by the end of this 30 day period.

**10. FORMAL ACCEPTANCE OF REPORT**

If, upon review of the report, the Company agrees with its contents, the Market Regulation Division requests the following individual items:

- a. A formal letter of acceptance.
- b. A statement of corrective actions on developed issues.
- c. Notarized affidavits signed by each member of the Board of Directors stating the report has been carefully examined and that he/she is familiar with the contents of the Report.
- d. One bound copy of the report.

**11. WRITTEN SUBMISSIONS OR REBUTTALS**

N.C.G.S. 58-2-132 provides that at the end of 30 days, the Commissioner shall fully consider and review the report, together with any written submissions or rebuttals and enter an order either,

- 1) Adopting the examination report as filed, or with modifications or corrections.
- 2) Rejecting the examination report with directions to the examiners to obtain additional data.
- 3) Calling for an investigatory hearing with no less than 20 days notice to the insurer.

**12. INFORMAL CONFERENCE ON REPORT**

If all issues relating to the report are not mutually agreed upon, the Company may request an informal conference with the Market Regulation Division. This conference will be held in the Division's office in Raleigh, North Carolina.

**13. REGULATORY ACTION**

Final regulatory disposition will be determined by the Commissioner of Insurance for the State of North Carolina.

## **GENERAL PROCEDURES**

The following information pertains to general procedures for conducting the examination. The examination is conducted in two parts: **Phase I** and **Phase II**. Items contained in the **Phase I** section of the handbook must be forwarded in good order to this office no later than 60 days prior to the commencement of the examination. Items contained in the **Phase II** section of this handbook **must** be made available by the commencement date of the examination.

Items contained in the **Phase I** section primarily focus on the Company's consumer complaint, producer, policy, and claims electronic lists as well as items relating to the Company's history, administrative functions, and operations. Items contained in the **Phase II** section primarily focus on Company procedures and practices. These items, in conjunction with the review of the consumer complaint, producer, policy, and claim files furnished by the Company, are primarily representative of the **Phase II** examination. It is requested that you **Not** forward any items contained in this section until the Pre-Examination Conference has been held. These items will be handled in the following manner:

1. The review of the Company's Interrogatories will be performed during the **Phase I** section in order to give the examination team a chance to familiarize themselves with the Company's operations prior to the **Phase II** commencement.
2. All consumer complaint, producer, policy, and claim selections will be forwarded to the Company prior to the commencement of the **Phase II** section of the examination so that the Company can begin assembling the requested selections.

**ERROR THRESHOLDS**

It is the Department's practice to cite companies in violation of a statute or rule when the results of a sample show errors/noncompliance at or above the following levels: 0 percent for consumer complaints, sales and advertising, producers who were not appointed and/or licensed, and the use of forms and rates/rules that were neither filed with nor approved by the Department; 7 percent for claims; and 10 percent for all other areas reviewed. When errors are detected in a sample, but the error rate is below the applicable threshold for citing an apparent violation, the Department issues a reminder to the company.

## **PHASE I EXAMINATION REQUIREMENTS**

The following information must be delivered in writing to the Market Regulation Division in Raleigh, North Carolina.

Please identify each item using the identification number and title of each section.

### **I. COMPANY OVERVIEW**

#### **A. Antifraud Plan**

A copy of written procedures or guides that provide sufficient detail to enable employees to perform their functions in accordance with the goals and direction of management.

### **II. POLICYHOLDER TREATMENT**

#### **A. Consumer Complaints**

A copy of the Company's North Carolina Consumer Complaint Record (register). This register should include complaints closed from the North Carolina Department of Insurance and those complaints closed directly from North Carolina consumers during the examination period.

#### **B. Privacy of Financial and Health Information**

1. A copy of the privacy notice provided to applicants and policyholders.
2. Describe procedures to prevent disclosure of non-public personal health information, privileged information, or personal information unless authorized by the applicant, insured, or policyholder.
3. Describe when privacy disclosures are provided to applicants and policyholders.

### III. MARKETING

#### A. Policy Forms and Filings

1. Please provide for all lines of business listed under item IV:

A list of all policy applications, consent to rate forms, riders, endorsements, and amendments in use in North Carolina during the examination period. (Include by line of business: form numbers, edition date, name, time period in use). Include Property & Casualty Tracking Number and/or SERFF Tracking Number.

2. A rate, rule, form, independent program, and loss cost filing history by line of business in use in North Carolina during the examination period. Include Property & Casualty Tracking Number and/or SERFF Tracking Number.
3. A list of all rating organizations the company is a member/subscriber/service purchaser. Please provide a participation report (Ex, ISO report 12R) for the period under examination.

#### B. Producer Licensing

Separate alphabetical lists of all North Carolina producers\* in electronic format. Refer to Appendix A - Instructions for Preparing Electronic Files.

1. Appointed as a new producer during the examination period with their date of appointment.
2. Terminated during the examination period with their date of termination.
3. Active during the examination period.

\* The names of individual producers, **NOT AGENCIES**, are needed for this segment of the examination.

#### IV. UNDERWRITING PRACTICES

A random selection of the Company's underwriting files will be made from the electronic lists provided by the Company. The records subject to this examination will be business originating during the period January 1, 2000 through December 31, 2000. A separate file must be produced for each line of business. Refer to Appendix A - Instructions for Preparing Electronic Files.

The following lines of business will be examined for underwriting criteria, consistency, rate accuracy, and compliance with North Carolina statutes and rules:

Line of business

For each line of business, lists of all North Carolina policies originally issued new with effective dates on or after January 1, 2000 through December 31, 2000. The lists are to include only risks where the named insured and mailing address are domiciled in North Carolina. (Review of business originally produced prior to 2000 is not contemplated for this examination).

#### V. TERMINATIONS

A random selection of the Company's underwriting files will be made from the electronic lists provided by the Company. The records subject to this examination will be business with a termination effective date within the period January 1, 20XX through December 31, 20XX regardless of when the policy became effective. The lists are to include only risks where the named insured and mailing address are domiciled in North Carolina. A separate file must be produced for each line of business. Refer to Appendix A - Instructions for Preparing Electronic Files.

The following lines of business will be examined for termination procedures and compliance with North Carolina statutes and rules:

Line of business

- A. For each line of business, lists of all North Carolina policies with a cancellation\* effective date within the period January 1, 20XX through December 31, 20XX regardless of when the policy became effective. Cancellation includes nonpayment of premium, insured requests, premium finance company request, underwriting decisions, coverage rewritten, insured requested cancellation within 45 days due to cession to the North Carolina Reinsurance Facility, and insureds who are no longer eligible risks for private passenger automobile insurance per NCGS 58-2-164.

\* Please **exclude** policies cancelled during the January 1, 20XX through December 31, 20XX period and subsequently reinstated during the same period.

- B. For each line of business, lists of all North Carolina policies with a nonrenewal effective date within the period January 1, 20XX through December 31, 20XX regardless of when the policy became effective. Nonrenewal includes

underwriting decisions, producer no longer represents the Company, and insureds who are no longer eligible risks for private passenger automobile insurance per NCGS 58-2-164.

- C. For personal lines of business only, one list, inclusive of all personal lines of business, of all North Carolina submissions rejected or declined during the examination period. If coverage was bound and then rejected, this should be reported as a cancellation.
- D. For all lines of business describe the Company's procedures for the termination of policies due to material misrepresentation.

## VI. CLAIMS PRACTICES

A review of the Company's general claims handling practices will be conducted. Sample reviews of the Company's claim files will be made from the electronic claims lists provided by the Company. Claims for the following lines of business are needed for this segment of the examination:

Line of business

In general, the data reviewed for this examination will include North Carolina claims activity occurring during the period January 1, 20XX through December 31, 20XX. The lists are to include only risks where the named insured and mailing address are domiciled in North Carolina. Various lists need to be produced in order to select the files for review. Refer to Appendix A - Instructions for Preparing Electronic Files. **All aspects/features of each claim occurrence must be CLOSED.**

- A. A separate list, inclusive of all lines of business, of all North Carolina **CLOSED PAID** claims where the **DATE OF LOSS** occurred during the period January 1, 20XX through December 31, 20XX for each of the following:
  - 1. Private passenger and commercial automobile **PHYSICAL DAMAGE** claims (exclude glass claims) (ONE LIST)

## **APPENDIX A – INSTRUCTIONS FOR PREPARING ELECTRONIC FILES**

The attached file layouts are to be used for building the electronic files/records to be sent to the North Carolina Department of Insurance (Department). **Please only submit data subject to this examination.**

Files may be submitted via compact disk, e-mail (if the size of the attachment is less than 1 MB), or a secure file sharing service (e.g., sharefile). If employing e-mail, use a WINZIP® compatible data compression tool on any attachments greater than 100KB). Do not submit 'backed-up' files.

The data must be formatted as ASCII Fixed Length (plain text).

All files/records must correspond to the appropriate layout definition exactly as prescribed herein.

All records must contain data only. Do not include any column titles/field names, blank records, header or trailer records, total or subtotal records, etc.

With the exception of a leading dash in the first position of the field to represent a negative amount, numeric fields must not contain any punctuation (decimal points, commas, dollar signs, etc.).

Numeric fields must be right justified; alphanumeric fields must be left justified.

All companies subject to the examination must be included in the same file for a particular examination item.

All lines of business must be included in the same file for the DECLINATION and CLAIMS examination items. Each line of business must be submitted as its own individual file for the RATING, CANCELLATION, and NONRENEWAL examination items.

Files should be sorted by effective (new business), termination (cancellation, nonrenewal, declination), or loss (claims) dates as applicable (within line of business where appropriate).

Dollar amounts are to be reported **exclusive** of installment fees.

If there are any fields that you are unable to populate, please advise the Department, in writing, as soon as possible. These fields need to be accounted for in the file through the use of blank fill (space fill). Do NOT use Tab characters.

The company will be supplied with a list of the records selected as a representative sample of the total population submitted for each specific examination item. The selected records will be reviewed, in detail, by the Department's examiners; therefore, the associated company files must be made available to the examiners for their use in verifying data submitted electronically.

Please forward the files as they are completed. Do not wait until all files are complete to start sending. **Files not received in good order by the date determined by the Examiner-In-Charge during the Pre-Examination Conference will be deemed in violation.**

#### IV. CLAIMS PRACTICES

All aspects/features of all Claims must be **CLOSED**. Do not include “catastrophe” claims in any of the files. Claims are to be summarized and reported on a claimant-level basis (suggestion – append a claimant number to the end of the claim number so that each record is unique – maintain the parameters of the CLAIM NO field.).

##### A. Closed Paid Claims:

##### 1) Private Passenger And Commercial Automobile Physical Damage Claims (One File):

##### 2) Personal And Commercial Third Party Property Damage Claims (One File):

These two types of claims all use the following record layout. While lines of business are to be combined into the same file for each type of claim, each of the two types of claims must be submitted as a separate file.
